

# Added dental care for healthy smiles

**Our personal policies now come with a dental appointment and a £300 allowance towards restorative treatment.**

A woman with long blonde hair is smiling and looking off to the side. She is holding a teal mug with both hands. She is wearing a yellow sweater over a white shirt. The background is a bright, out-of-focus indoor setting.

# Our cover now covers more

It feels harder than ever to find the right dental care. That's why our dental allowance gives you and everyone on your cover an appointment with Bupa Dental Care every year. Plus, if you need further care, you'll have a £300 allowance towards restorative treatment like crowns or fillings. It's a little something extra to smile about.

## Who's it for?

- You and everyone covered by your policy will each have access to the benefit.
